Ofc Trump won. He won the most admired man. Despite four years of pos “journalists” trying their ab-so-fucking-lute hardest to get people to hate him. Multiple nobel peace prize nominations. The only people in this world who thinks he didn't win is the MSM and their retarded flock of followers...but deep down, even they know he won. Even the people who hate him the most, know it. They're just willing to throw out their moral being to see him lose.

Imagine having a Biden inauguration parade but canceling it because of covid. Was covid not a thing when he tried stealing the election two months ago? Nah they canceled that hot garbage because he knows he lost!

Because they know the parade route would be lined with only crickets.

In the information age, the whole f*cking world is witnessing the joke. Cheater Joe will have an uphill battle convincing anyone with at least half a brain not just in USA but worldwide that he's legit even if Trump concedes.

NTD had over 50K on their stream as well. Plus it is broadcast on OANN and likely more.
